

PRODUCT-DETAILS

# 3GAL132233-HSB

## M3AL 132SMC 4

### General Information

|                      |                |
|----------------------|----------------|
| Product ID           | 3GAL132233-HSB |
| ABB Type Designation | M3AL 132SMC 4  |
| Catalog Description  | M3AL 132SMC 4  |

### Additional Information

|                       |               |
|-----------------------|---------------|
| ABB Type Designation  | M3AL 132SMC 4 |
| Altitude              | 1000 m        |
| Ambient Temperature   | 40 °C         |
| Bearing               | 6308-2Z/C3    |
| Bearing NDE           | 6206-2Z/C3    |
| Country of Origin     | Finland (FI)  |
| Customs Tariff Number | 85015230      |
| Direction of Rotation | Both sides    |

#### Electrical Data

| Conn | Temp Class | Freq  | Voltage | Power    | Speed      | Current | Power Factor | Efficiency | Torque    |
|------|------------|-------|---------|----------|------------|---------|--------------|------------|-----------|
| Y    | --         | 50 Hz | 400 V   | 11.00 kW | 1500 r/min | 25.00 A | 0.750        | 89.80 %    | 70.00 N·m |

|                  |              |
|------------------|--------------|
| Gross Weight     | 62 kg        |
| IC Class         | IC411        |
| IM Class         | IMB35 IM2001 |
| IP Class         | IP55         |
| Insulation Class | ICLF         |

|                         |                                                            |
|-------------------------|------------------------------------------------------------|
| Invoice Description     | M3AL 132SMC 4                                              |
| Made To Order           | No                                                         |
| Minimum Order Quantity  | 1 piece                                                    |
| Number of Poles (High)  | 4                                                          |
| Order Multiple          | 1 piece                                                    |
| Package Level 1 Units   | 0 carton                                                   |
| Pre Modified Motor      | 3GAL132233-ASB                                             |
| Product ID              |                                                            |
| Product Name            | 3Phase Synchronous reluctance motor                        |
| Product Net Weight      | 57 kg                                                      |
| Product Type            | 3AL0__M3AL_SynRM_AA                                        |
| Quote Only              | No                                                         |
| Selling Unit of Measure | piece                                                      |
| Temperature Class       | --                                                         |
| Default                 |                                                            |
| Terminator Box Location | D-End top                                                  |
| Two Speed Motor         | No                                                         |
| Type of Duty            | S9                                                         |
| UNSPSC                  | 26101100                                                   |
| Voltage Code            | S                                                          |
| WEEE Category           | 5. Small Equipment (No External Dimension More Than 50 cm) |
