

PRODUCT-DETAILS

# 3GGP133321-AEB

## M3GP 132SMB 6

### General Information

|                      |                |
|----------------------|----------------|
| Product ID           | 3GGP133321-AEB |
| ABB Type Designation | M3GP 132SMB 6  |
| Catalog Description  | M3GP 132SMB 6  |

### Additional Information

|                       |               |
|-----------------------|---------------|
| ABB Type Designation  | M3GP 132SMB 6 |
| Altitude              | 1000 m        |
| Ambient Temperature   | 40 °C         |
| Bearing               | 6208-2Z/C3    |
| Bearing NDE           | 6208-2Z/C3    |
| Country of Origin     | Finland (FI)  |
| Customs Tariff Number | 85015220      |
| Direction of Rotation | Both sides    |
| EX-Protection         | Exec          |

#### Electrical Data

| Conn | Temp Class | Freq  | Voltage | Power   | Speed     | Current | Power Factor | Efficiency | Torque    | IS/IN |
|------|------------|-------|---------|---------|-----------|---------|--------------|------------|-----------|-------|
| D    | T3         | 50 Hz | 500 V   | 3.00 kW | 975 r/min | 6.46 A  | 0.630        | 85.30 %    | 29.40 N·m | 6.80  |

|                       |              |
|-----------------------|--------------|
| Gas Group             | IIC          |
| Gross Weight          | 74 kg        |
| IC Class              | IC411        |
| IE Class Data (50 Hz) | IE Class IE2 |

|                              |                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------|
|                              | Full Load (100%) 85.3 %<br>Partial Load (75%) 84.2 %<br>Partial Load (50%) 81.2 % |
| IM Class                     | IMB3 IM1001                                                                       |
| IP Class                     | IP55                                                                              |
| Insulation Class             | ICLF                                                                              |
| Invoice Description          | M3GP 132SMB 6                                                                     |
| Lubrication                  | For life                                                                          |
| Made To Order                | No                                                                                |
| Minimum Order Quantity       | 1 piece                                                                           |
| Number of Poles (High)       | 6                                                                                 |
| Order Multiple               | 1 piece                                                                           |
| Package Level 1 Units        | 0 carton                                                                          |
| Product Name                 | 3-Phase squirrel cage motor                                                       |
| Product Net Weight           | 69 kg                                                                             |
| Product Type                 | 3GP0__M3GP_CI                                                                     |
| Quote Only                   | No                                                                                |
| Selling Unit of Measure      | piece                                                                             |
| Standards                    | IEC 60034-1                                                                       |
| Temperature Class<br>Default | T3                                                                                |
| Terminator Box Location      | Top                                                                               |
| Two Speed Motor              | No                                                                                |
| Type of Duty                 | S1                                                                                |
| UNSPSC                       | 26101100                                                                          |
| Voltage Code                 | E                                                                                 |
| WEEE Category                | 5. Small Equipment (No External Dimension More Than 50 cm)                        |
