

# 3GKP131220-BEJ

No Description Available

|                      |                |
|----------------------|----------------|
| Product ID           | 3GKP131220-BEJ |
| ABB Type Designation | M3KP 132SMB 2  |
| Catalog Description  |                |

|                           |                                                                                                   |
|---------------------------|---------------------------------------------------------------------------------------------------|
| Gross Weight              | 98 kg                                                                                             |
| IC Class                  | IC411                                                                                             |
| IE Class Data (50 Hz)     | IE Class IE2<br>Full Load (100%) 87.0 %<br>Partial Load (75%) 87.6 %<br>Partial Load (50%) 87.0 % |
| IE Class Data (60 Hz)     | IE Class IE1<br>Full Load (100%) 86.0 %<br>Partial Load (75%) 85.3 %<br>Partial Load (50%) 82.9 % |
| IM Class                  | IMB5 IM3001                                                                                       |
| IP Class                  | IP55                                                                                              |
| Insulation Class          | ICLF                                                                                              |
| Made To Order             | No                                                                                                |
| Minimum Order Quantity    | 1 piece                                                                                           |
| Number of Poles (High)    | 2                                                                                                 |
| Order Multiple            | 1 piece                                                                                           |
| Package Level 1 Units     | 0 carton                                                                                          |
| Product Name              | 3-Phase squirrel cage motor                                                                       |
| Product Net Weight        | 93 kg                                                                                             |
| Product Type              | 3KPO__M3JP_IE2_Flameproof_Exde_motor                                                              |
| Quote Only                | No                                                                                                |
| Replaced Product ID (OLD) | 3GKP131220-BEH                                                                                    |
| Selling Unit of Measure   | piece                                                                                             |
| Temperature Class Default | T4                                                                                                |
| Terminator Box Location   | D-End top                                                                                         |
| Two Speed Motor           | No                                                                                                |
| Type of Duty              | S1                                                                                                |
| UNSPSC                    | 26101100                                                                                          |
| Voltage Code              | E                                                                                                 |
| WEEE Category             | 5. Small Equipment (No External Dimension More Than 50 cm)                                        |
