3HNA027872-001

ACU FOR IRB580

General Information

Product ID	3HNA027872-001
ABB Type Designation	-
Catalog Description	ACU FOR IRB580

Technical

Technical Information	This kit is for emergency use only when there is failure on PPRU. For ACU commissioning, please check the complete replacement procedure (3HNA027984-001) and verify that you have the appropriate knowledge to do the job. If you want to proactively upgrade existing PPRU, please contact UPI (paint-upgrade.support@cn.abb.com) for an upgrade offer with robot serial number. UPI will make a setup for you which fits 100% to your robot system. For detailed information, please click the download page to query the technical manual
