

## PRODUCT-DETAILS

# A1202 10T316SS

## CHNL BK-BK 12GA 1-5/8X1-5/8 10FT SS

### General Information

|                       |                                                                                                                |
|-----------------------|----------------------------------------------------------------------------------------------------------------|
| Extended Product Type | A1202 10T316SS                                                                                                 |
| Product ID            | 7TAA005570R0000                                                                                                |
| EAN                   | 0616013071205                                                                                                  |
| Catalog Description   | CHNL BK-BK 12GA 1-5/8X1-5/8 10FT SS                                                                            |
| Long Description      | Channel, 12 Gauge, 1-5/8 Inch x 1-5/8 Inch, Length 10 Feet, Type 316 Stainless Steel, Back to Back Combination |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0616013071205      |
| UPC                     | 616013071205       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 7326908688         |
| Selling Unit of Measure | foot               |

### Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 1-5/8 in |
| Product Net Depth / Length | 10 ft    |

### Container Information

|                                |                    |
|--------------------------------|--------------------|
| Package Level 1 Units          | 250 ft             |
| Package Level 1 Width          | 9.38 in<br>238 mm  |
| Package Level 1 Height         | 10.57 in<br>268 mm |
| Package Level 1 Depth / Length | 120 in<br>3048 mm  |
| Package Level 2 Units          | 250 ft             |

## Additional Information

|                     |                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Application         | Used to mount, brace, support or connect structural loads in building construction such as pipe or electrical or data wire            |
| Brand / Label       | Superstrut                                                                                                                            |
| Effective Date      | 19980326                                                                                                                              |
| Gauge               | 12 gauge                                                                                                                              |
| Material            | Stainless Steel                                                                                                                       |
| Number of Batteries | 0                                                                                                                                     |
| Product Name        | SUPERSTRUT CHANNEL & ACCES                                                                                                            |
| Product Type        | Metal Channels                                                                                                                        |
| Special Functions   | Designed so that the maximum number of support and framing applications can be constructed with a minimum amount of labor and pieces. |

## Certificates and Declarations (Document Number)
