

## PRODUCT-DETAILS

# DS6304MP000

60A,PLG,3P4W,MG,304,277/480V

### General Information

|                       |                                                          |
|-----------------------|----------------------------------------------------------|
| Extended Product Type | DS6304MP000                                              |
| Product ID            | 7TAA057030R0778                                          |
| EAN                   | 0708917181323                                            |
| Catalog Description   | 60A,PLG,3P4W,MG,304,277/480V                             |
| Long Description      | MaxGard Male Plug, 60 Amp, 3 Pole 4 Wire, 277/480V, 60Hz |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917181323      |
| UPC                     | 708917181323       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 8536100040         |
| Selling Unit of Measure | each               |

### Container Information

|                       |         |
|-----------------------|---------|
| Package Level 1 Units | 1 piece |
|-----------------------|---------|

### Additional Information

|               |                                            |
|---------------|--------------------------------------------|
| Application   | Power for trade show exhibits and concerts |
| Brand / Label | Russellstoll                               |

|                     |                                                                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Effective Date      | 19960411                                                                                                                                                         |
| Material            | Cast Aluminum                                                                                                                                                    |
| Number of Batteries | 0                                                                                                                                                                |
| Product Name        | RUSSELLSTOLL                                                                                                                                                     |
| Product Type        | MaxGard Interconnection Systems                                                                                                                                  |
| Special Functions   | Waterproof construction provides environmental separation at the front of each device (they don't have to be connected together just to be called "watertight"). |
| Standards           | UL E68085                                                                                                                                                        |

Certificates and Declarations (Document Number)
