

## PRODUCT-DETAILS

# DSRE1516NA000

100A,ILK,4P5W,MG,516,3PHY120/208,XP

### General Information

|                       |                                                                                                                                      |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | DSRE1516NA000                                                                                                                        |
| Product ID            | 7TAA057070R0248                                                                                                                      |
| EAN                   | 0708917333968                                                                                                                        |
| Catalog Description   | 100A,ILK,4P5W,MG,516,3PHY120/208,XP                                                                                                  |
| Long Description      | Explosion Proof Interlocking Switch Receptacle with Non-Automatic Breaker, Amperage 100A, Voltage 3 Phase Y 120/208V, 4 Poles 5 Wire |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917333968      |
| UPC                     | 708917333968       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 8537109170         |
| Selling Unit of Measure | each               |

### Container Information

|                                |                    |
|--------------------------------|--------------------|
| Package Level 1 Units          | 1 piece            |
| Package Level 1 Width          | 13 in<br>330 mm    |
| Package Level 1 Height         | 11.13 in<br>283 mm |
| Package Level 1 Depth / Length | 24 in<br>610 mm    |

---

**Additional Information**

|                      |                 |
|----------------------|-----------------|
| Brand / Label        | Russellstoll    |
| Current Rating       | 100 A           |
| Effective Date       | 20121105        |
| Number of Batteries  | 0               |
| Number of Conductors | 5               |
| Number of Poles      | 4               |
| Product Name         | ELECTRICAL BASE |
| Standards            | UL e68085       |
| Voltage Rating       | 120/208 V       |
