

## PRODUCT-DETAILS

# DSRE3107NA000

30A,ILK,2P3W,MG,107,125V,NA,XP

### General Information

|                       |                                                                                                     |
|-----------------------|-----------------------------------------------------------------------------------------------------|
| Extended Product Type | DSRE3107NA000                                                                                       |
| Product ID            | 7TAA057070R0249                                                                                     |
| EAN                   | 0708917276616                                                                                       |
| Catalog Description   | 30A,ILK,2P3W,MG,107,125V,NA,XP                                                                      |
| Long Description      | MaxGard Explosion-Proof Interlocked Receptacle Class I, Class II, 30 Amp, 2 Pole 3 Wire, 125V, 60Hz |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917276616      |
| UPC                     | 708917276616       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 853669800          |
| Selling Unit of Measure | each               |

### Container Information

|                                |                   |
|--------------------------------|-------------------|
| Package Level 1 Units          | 1 piece           |
| Package Level 1 Width          | 8.75 in<br>222 mm |
| Package Level 1 Height         | 8.5 in<br>216 mm  |
| Package Level 1 Depth / Length | 23 in<br>584 mm   |

## Additional Information

|                      |                                                                                                                           |
|----------------------|---------------------------------------------------------------------------------------------------------------------------|
| Application          | Power for trade show exhibits and concerts, Electrical hook-up of mobile medical imaging (MMI trailers)                   |
| Brand / Label        | Russellstoll                                                                                                              |
| Current Rating       | 30 A                                                                                                                      |
| Effective Date       | 20000316                                                                                                                  |
| Material             | Cast Aluminum                                                                                                             |
| Number of Batteries  | 0                                                                                                                         |
| Number of Conductors | 3                                                                                                                         |
| Number of Poles      | 2                                                                                                                         |
| Product Name         | RUSSELLSTOLL                                                                                                              |
| Product Type         | MaxGard Interconnection Systems                                                                                           |
| Special Functions    | Explosion-proof waterproof non-interlocked receptacle O-ring sealed along with optional control contacts fully UL listed. |
| Standards            | UL E68085                                                                                                                 |
| Voltage Rating       | 125 V                                                                                                                     |

## Certificates and Declarations (Document Number)

|                                   |               |
