**Additional Information**

---

|                     |                                                                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Application         | For use where electrical connections need protection from water and/or dust entrance to the contacts or the wiring compartment.           |
| Brand / Label       | Russellstoll                                                                                                                              |
| Effective Date      | 19970925                                                                                                                                  |
| Material            | DuraV                                                                                                                                     |
| Number of Batteries | 0                                                                                                                                         |
| Product Name        | RUSSELLSTOLL                                                                                                                              |
| Product Type        | DuraGard Waterproof Connections                                                                                                           |
| Special Functions   | Not just "watertight"; Waterproof for washdown duty (DurORing Sealing) that eliminates the need for costly "weather boots" or "adapters." |
