### General Information

|                       |                                                                                |
|-----------------------|--------------------------------------------------------------------------------|
| Extended Product Type | 8734R                                                                          |
| Product ID            | 7TAA057320R0019                                                                |
| EAN                   | 0708917172536                                                                  |
| Catalog Description   | MIDGET DPLX RVS SVC RCPT20A3P4W250V                                            |
| Long Description      | Ever-Lok Midget Duplex Reverse Service Receptacle, 20 Amp, 250V, 3 Pole 4 Wire |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917172536      |
| UPC                     | 708917172536       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 8536698000         |
| Selling Unit of Measure | each               |

### Container Information

|                       |         |
|-----------------------|---------|
| Package Level 1 Units | 1 piece |
|-----------------------|---------|

### Additional Information

|             |                                                                                                                                                                          |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application | General Industrial: Lighting Connections, Indoor Welding Stations, Machinery/Tool Connections, Power Distributions Panels, Convenience Power, Battery Charging Equipment |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| Brand / Label        | Russellstoll                                                                                |
| Current Rating       | 20 A                                                                                        |
| Effective Date       | 19960411                                                                                    |
| Material             | Heavy gauge steel plated receptacle housing                                                 |
| Number of Batteries  | 0                                                                                           |
| Number of Conductors | 4                                                                                           |
| Number of Poles      | 3                                                                                           |
| Product Name         | ELECTRICAL RECEPTICLE                                                                       |
| Product Type         | DuraTite & Ever-Lok Locking Connections                                                     |
| Special Functions    | Automatic Locking; Positive Grounding by means of phosphor-bronze ground straps; Dust Proof |
| Voltage Rating       | 250 V                                                                                       |

## Certificates and Declarations (Document Number)

|                                   |       |
