

## PRODUCT-DETAILS

# 8324S

## CONN ASSY 30-50A

### General Information

|                       |                                                                     |
|-----------------------|---------------------------------------------------------------------|
| Extended Product Type | 8324S                                                               |
| Product ID            | 7TAA057520R0015                                                     |
| EAN                   | 0708917182979                                                       |
| Catalog Description   | CONN ASSY 30-50A                                                    |
| Long Description      | Ever-Lok Clamp Type Connector 30-50 Amp, 3/4 inch Max. Cable Rating |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917182979      |
| UPC                     | 708917182979       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 8536694020         |
| Selling Unit of Measure | each               |

### Container Information

|                       |         |
|-----------------------|---------|
| Package Level 1 Units | 1 piece |
|-----------------------|---------|

### Additional Information

|             |                                                                                                                                                                          |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application | General Industrial: Lighting Connections, Indoor Welding Stations, Machinery/Tool Connections, Power Distributions Panels, Convenience Power, Battery Charging Equipment |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Brand / Label       | Russellstoll                                                                                |
| Effective Date      | 19960411                                                                                    |
| Material            | Heavy gauge steel plated receptacle housing                                                 |
| Number of Batteries | 0                                                                                           |
| Product Name        | RUSSELLSTOLL                                                                                |
| Product Type        | DuraTite & Ever-Lok Locking Connections                                                     |
| Special Functions   | Automatic Locking; Positive Grounding by means of phosphor-bronze ground straps; Dust Proof |
| Standards           | UL E2630                                                                                    |

Certificates and Declarations (Document Number)

|                                   |       |
