

## PRODUCT-DETAILS

# 9C53U2-PSE

50A,CON,2P3W,DG,U2,250V,HIGHPOTTEST

### General Information

|                       |                                        |
|-----------------------|----------------------------------------|
| Extended Product Type | 9C53U2-PSE                             |
| Product ID            | 7TAA057770R0003                        |
| EAN                   | 0708917315001                          |
| Catalog Description   | 50A,CON,2P3W,DG,U2,250V,HIGHPOTTEST    |
| Long Description      | DuraGard 50 Amp Female Connector, 250V |

### Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917315001      |
| UPC                     | 708917315001       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 8536694020         |
| Selling Unit of Measure | each               |

### Container Information

|                                |                  |
|--------------------------------|------------------|
| Package Level 1 Units          | 1 piece          |
| Package Level 1 Width          | 2.5 in<br>64 mm  |
| Package Level 1 Height         | 2.5 in<br>64 mm  |
| Package Level 1 Depth / Length | 7.5 in<br>191 mm |
| Package Level 2 Units          | 50 piece         |

|                                   |                 |
|-----------------------------------|-----------------|
| Package Level 2 Width             | 13 in<br>330 mm |
| Package Level 2 Height            | 16 in<br>406 mm |
| Package Level 2 Depth /<br>Length | 13 in<br>330 mm |

## Additional Information

|                      |                                                                                                                                           |
|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Application          | For use where electrical connections need protection from water and/or dust entrance to the contacts or the wiring compartment.           |
| Brand / Label        | Russellstoll                                                                                                                              |
| Current Rating       | 50 A                                                                                                                                      |
| Effective Date       | 20090901                                                                                                                                  |
| Material             | DuraV                                                                                                                                     |
| Number of Batteries  | 0                                                                                                                                         |
| Number of Conductors | 3                                                                                                                                         |
| Number of Poles      | 2                                                                                                                                         |
| Product Name         | CILYNDRICAL MULTICONTACT CONNECTOR                                                                                                        |
| Product Type         | DuraGard Waterproof Connections                                                                                                           |
| Special Functions    | Not just "watertight"; Waterproof for washdown duty (DurORing Sealing) that eliminates the need for costly "weather boots" or "adapters." |
| Voltage Rating       | 250 V                                                                                                                                     |

## Certificates and Declarations (Document Number)

|                                   |            |
