

## PRODUCT-DETAILS

# DS4516MRAB0

400A,NLT,4P5W,MG,516,AB0,3PY120V

## General Information

|                       |                                                                                                       |
|-----------------------|-------------------------------------------------------------------------------------------------------|
| Extended Product Type | DS4516MRAB0                                                                                           |
| Product ID            | 7TAA057980R0826                                                                                       |
| EAN                   | 0708917149118                                                                                         |
| Catalog Description   | 400A,NLT,4P5W,MG,516,AB0,3PY120V                                                                      |
| Long Description      | MaxGard Male Inlet with Angle Adapter and Junction Box, 400 Amp, 4 Pole 5 Wire, 30Y<br>120/208V, 60Hz |

## Ordering

|                         |                    |
|-------------------------|--------------------|
| EAN                     | 0708917149118      |
| UPC                     | 708917149118       |
| Country of Origin       | United States (US) |
| Customs Tariff Number   | 8536100040         |
| Selling Unit of Measure | each               |

## Container Information

|                                |                    |
|--------------------------------|--------------------|
| Package Level 1 Units          | 1 piece            |
| Package Level 1 Width          | 15.38 in<br>391 mm |
| Package Level 1 Height         | 15.69 in<br>399 mm |
| Package Level 1 Depth / Length | 26.25 in<br>667 mm |

| Additional Information |                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application            | Shore power to marine vessels-sightseeing boats                                                                                                                  |
| Brand / Label          | Russellstoll                                                                                                                                                     |
| Effective Date         | 19960411                                                                                                                                                         |
| Material               | Cast Aluminum                                                                                                                                                    |
| Number of Batteries    | 0                                                                                                                                                                |
| Product Name           | RUSSELLSTOLL                                                                                                                                                     |
| Product Type           | MaxGard Interconnection Systems                                                                                                                                  |
| Special Functions      | Waterproof construction provides environmental separation at the front of each device (they don't have to be connected together just to be called "watertight"). |
