

PRODUCT-DETAILS

# CSV4-900-0106

## VARIABLE CAPACITOR 900PF 6KV

### General Information

|                       |                                                                                                                                          |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | CSV4-900-0106                                                                                                                            |
| Product ID            | 7TAA221120R0020                                                                                                                          |
| EAN                   | 0783786838486                                                                                                                            |
| Catalog Description   | VARIABLE CAPACITOR 900PF 6KV                                                                                                             |
| Long Description      | High Voltage Vacuum Variable Capacitor - CSV4 Series, Mounting Both Ends have Tapped Holes, Capacity Range 10-900, Voltage Peak Test 6kV |

### Ordering

|                         |               |
|-------------------------|---------------|
| EAN                     | 0783786838486 |
| UPC                     | 783786838486  |
| Country of Origin       | China (CN)    |
| Customs Tariff Number   | 8532300090    |
| Selling Unit of Measure | each          |

### Container Information

|                         |               |
|-------------------------|---------------|
| Package Level 1 Units   | 1 piece       |
| Package Level 2 Units   | 1 piece       |
| Package Level 2 Width   | 1 in<br>25 mm |
| Package Level 2 Height  | 1 in<br>25 mm |
| Package Level 2 Depth / | 1 in          |

|                                |               |
|--------------------------------|---------------|
| Length                         | 25 mm         |
| Package Level 3 Units          | 1 piece       |
| Package Level 3 Depth / Length | 1 in<br>25 mm |

## Additional Information

|                     |                                                                                                                    |
|---------------------|--------------------------------------------------------------------------------------------------------------------|
| Application         | High Current Applications                                                                                          |
| Brand / Label       | Jennings                                                                                                           |
| Capacitor Rating    | 900 pF                                                                                                             |
| Current Rating      | 43 A                                                                                                               |
| Effective Date      | 20090714                                                                                                           |
| Material            | Ceramic                                                                                                            |
| Mounting Type       | Both Ends have Tapped Holes.                                                                                       |
| Number of Batteries | 0                                                                                                                  |
| Product Name        | high voltage vac variable capacitor                                                                                |
| Product Type        | Vacuum Variable Capacitor                                                                                          |
| Shaft Diameter      | 2.35 in<br>59.70 mm                                                                                                |
| Size                | Length 6.53 in ; 165.80 mm                                                                                         |
| Special Functions   | High Voltage Rating. High Current Rating. Wide Tuning Range. Low Losses.<br>Self Healing. High Altitude Operation. |
| Temperature Range   | -55 to +125 °C                                                                                                     |
| Voltage Rating      | 3 kV                                                                                                               |

## Certificates and Declarations (Document Number)

|                                   |               |
|-----------------------------------|---------------|
| Data Sheet, Technical Information | CSV4-900-0106 |
| Instructions and Manuals          | CSV4-900-0106 |

## Classifications

|                                    |                                                            |
|------------------------------------|------------------------------------------------------------|
| UNSPSC                             | 32121513                                                   |
| WEEE Category                      | 5. Small Equipment (No External Dimension More Than 50 cm) |
| IDEA Granular Category Code (IGCC) | 3055 >> Vacuum capacitor                                   |
